COUNTY PROPERTIES:

Mr. Johnson stated "First on for Properties is approve contract for repairs at the Sheriff's range and amend budget for FEMA. This is the same thing that was on Public Safety. Can I have a motion?"

Item #1 - On motion of Mr. Bono, seconded by Mr. Donley for the County Properties Committee, Item #1 was voted on, approved and moved for Resolution. Unanimous.

Item #2 – N/A.

COUNTY PROPERTIES AND WAYS & MEANS:

Mr. Johnson stated "Number three transfer Senior Building Maintenance Mechanic from the Sheriff's Department to the Maintenance Department. Steve please."

Steve Billings stated "One employee that is currently under the Sheriff's account, he is a Senior Building Maintenance Mechanic, he does repairs over at the jail and the thought is we are going to transfer him to now work under Don Moynihan in Maintenance. This person will be up at the new jail once the new jail is ready. Donny needs to get up there with this new employee to start learning the systems. All of the bells and whistles so that if or when things go wrong, they are going to be able to make repairs and know how all of the systems work. We will do this on the July 1st meeting retroed back to June 29th and I think Donny's plan is to get up there on the 29th and start with this guy and start learning the systems. So it's really just a transfer from being under to Sheriff to now under maintenance."

Mr. Russell stated "I wanted to thank the Sheriff, Ray and everybody who has worked on this. This has been going on for years that we have been trying to do this. It's made sense for a long time. It's just to see that everybody is working together as we try to make these things happen."

Steve Billings stated "The other thing which is really just an FYI, Bobby Shenk is going to go from working his afternoon evening shift and overseeing some of the cleaners, we are going to move him down to days. That is not a part of the Resolution. That is just an FYI."

Mr. Johnson asked for a motion.

Item #3 - On motion of Mr. Schrader, seconded by Mr. Keeler for the County Properties Committee and on motion of Mr. Stephens, seconded by Mr. Russell for the Ways & Means Committee, Item #3 was voted on, approved and moved for Resolution. Unanimous.

Mr. Russell stated "Thanks again everyone for working on this."

Mr. Johnson stated "Does anybody have anything under other? Sheri did meet with our parking lot contractor. It's getting up to speed. Just a shout out to the Herkimer Mayor who said we could move our cars to the streets without getting tickets. Thank you on that. Do I have a motion to adjourn?"

On motion of Mr. Schrader, seconded by Mr. Keeler, the County Properties committee adjourned at 11:18 a.m.

The Ways & Means committee continued.
