

Fire Officer 1 Student Information

- The 2017 version of Fire Officer 1 is 63 hours of classroom training, delivered in 21 sessions. Attendance at all sessions is mandatory.
- Students are now required to provide their own book for this class. The book used is book is:

IFSTA Fire and Emergency Services Company Officer 5th Edition

Students should read Chapter 1 prior to night 1 of class.

- It is strongly recommended that the students also purchase the IFSTA Fire Officer Study Guide for the class. This will help to prepare for the course tests.
- All students are required to have a laptop or a tablet capable of accessing the internet for each class. Activities, quizzes, and exams will be conducted on the IFSTA Resource 1 website. Students cannot share a laptop or tablet; they must have their own to complete the necessary coursework.
- Students must complete ICS I-200 and Courage to be Safe prior to the end of class. Certificate of Completion must be provided to the instructor.
- Prerequisites for this class are: Essentials of Firefighting, Basic Firefighter, or Firefighter 1. A copy of a Certificate of Completion for one of these courses must be provided to the instructor on night one.
